## **OUR NEXT PROGRAM**

#### THE PIANO MAN

Piano Man Mike Schuler grew up in New York City, performed on the trumpet at Carnegie Hall when he was 13, with the U.S. Air Force Band out of high school, and then with the Hardin-Simmons University Cowboy Band.

He began playing piano around Abilene at Fairway Oaks (when they still had the PGA tournament), Crystal's Restaurant (when they still had the cave entrance), The Kiva Inn (when they still had "The Library" restaurant), The Abilene Club (when they were on top of the "M Bank" or "Bank One" building), and the Petroleum Club (when there was one). Through the years he has continued to perform at local venues such as the Abilene Country Club, Cahoots, Ruby's Chicken Dinner House, Cypress Street Station, ACU, HSU, The Mall of Abilene, and the Paramount Theatre. He has entertained thousands of school children over the years both in person and through "The Piano Man" television show which ran for 6 years on AISD cable channel 7 and has just recently returned to production.

Mike had traveled around the country and state of Texas quite a bit, also living in the Dallas/Fort Worth area as well as South Padre Island but he has always returned "home" to Abilene. Mike and his wife Andrea and their son, reside downtown at The Wooten, next door to his favorite place to play-The Paramount Theatre.

## **OPENING CEREMONY FOR 02/28/07**

President Margaret Hoogstra presided over the meeting. Ken Poynor led the singing and Millie Braddy played the piano. Ken Poynor led the prayer; Jerry Harris led the pledge and Carl Lockett introduced the program.

WHAT A MEETING! March 7, 2007

58<sup>th</sup> Annual Kiwanis Club of Abilene Pancake Day Sponsored by IHOP

## KICK OFF!

It was a happy day "Down on the Farm". Farmer Carl Lockett donned his overalls as members gathered together at Old McDonalds farm. Hired hand Kimberley Cole discussed this years Pancake Day ticket prices and hired hand Pamela McGrew announced this years ticket selling sales teams. There were three teams; the "PIGS" lead

by Shirley Velasco, the "COWS" lead by Russell Berry and the "CHICKENS" lead by Jan Koflanovich.

The three team leaders gathered their animal friends into their pens for a quick photo opportunity and a chance to sing "Old McDonald had a Farm". The animals were all sent away from the farm for the week to entice the city folk of Abilene and beyond to buy tickets for Pancake Day. All farm hands and animals will continue to gather weekly to hear sales results!

## SPIRITUAL AIMS MESSAGE- Cheer up!

The pastor preached a very short sermon one Sunday morning. He explained to his congregation, "My dog got into my office last night and chewed up some of my notes." At the close of the service, a visitor spoke to the Pastor as he left the church. "If your dog ever has puppies, please let my pastor have one of them!"

God intends for us to smile. Far more muscles are used when we frown than when we smile. So why overwork facial muscles? Laughter is as much a part of the heart of God as are tears.

If you are cheerful, you feel good; if you are sad, you hurt all over.

## **THANK YOU**

Dear Kiwanians,

Thank you for your generous gift of \$5,302.54 from the Basketball Shoot-Out event, which we received on March 1, 2007. Your continued support of Children's Miracle Network is greatly appreciated. You are making a difference in the life of a child. From state-of-the-art fetal monitors and the region's only Pediatric Intensive Care Unit, to tiny blood pressure cuffs for two-pound babies, Children's Miracle Network touches children of every age and from every walk of life.

Your commitment to our kids at Meek Children's Hospital and all other children's services at Hendrick is truly appreciated. Thanks for being a champion for kids in the Texas Midwest. It all comes back to you. Sincerely,

Mark Rogers, CMN Coordinator

## **SOMETHING ELSE**

As discussed by President Margaret Hoogstra at this weeks meeting:

# Kiwanis Club of Abilene Membership Survey – February 14, 2007

Members who voted **against** the proposal 25 surveys filled out by folks who voted No.

Dues Increase – 18 votes Move – 16 votes

#### Comments (verbatim):

- 1. I was not shown a compelling reason to move
- 2. Dues increase too big. Golf carts from Treadaway...NOT! Briarstone may be slow, but they did buy new carpet and chairs and fixed the door. We love the Briarstone Staff of sweet ladies.
- 3. Dues increase too much. Parking.
- 4. I like it here. Food is good.
- 5. Many other reasons.
- 6. Dues increase for those on retirement income. Parking. I am not unhappy with Briarstone Manor.
- 7. Would look again when club renovations are complete.
- 8. Parking and inconvenient location. No reason to move. OK here.
- 9. Country Club not a central location. Briarstone note as bad as directors tried to make it appear. Just a few unhappy with Briarstone, and they tried to railroad the change through.
- 10. I like the club here, especially the food.
- 11. Didn't have a problem with Briarstone and was concerned about dues increase and the parking situation at C. Club
- 12. May be needed in the future, but not now.
- 13. (Country) Club image. Dues increase affects those on fixed income more than others. I believe Briarstone has made some efforts to improve.
- 14. Dues increase Main reason.
- 15. I like Briarstone.
- 16. The Briarstone is more convenient and the food is great!
- 17. 25% increase in dues and parking at the Country Club.
- 18. There is nothing at the country club that I don't already have here! Personally, it would be wrong for me to change or move. If I were to move, it would be only to enhance my <u>ego</u>, <u>prestige</u>, and <u>pride</u> to associate with the <u>popular successful</u>, <u>wealthy</u>—hoping that it will rub off on me to increase my self-esteem. (SO I voted NO!) (I make no apologies!) <u>This move would be totally worldly!</u>

Members who voted **for** the proposal

37 surveys filled out by folks who voted Yes.

Briarstone facilities and furniture – 30 votes Briarstone food – 21 votes

#### Comments (verbatim):

- 1. Would be great for club growth much needed change.
- 2. Apparent apathy from a rather absent management.
- 3. Why are we doing this?
- 4. I have become concerned about the cleanliness of the food preparation.
- 5. A good opportunity to grow our club membership.
- 6. Recommendation of Board of Directors.
- 7. Better location.
- 8. Lipstick on glasses.
- 9. To have better appeal for new members.
- 10. Make it more appealing to potential guests/members.
- 11. I am a new member, and not totally familiar with past issues, but the Country Club appears to be a right place to move to facilitate growth for our club and a nicer facility to bring guests.
- 12. Just preferred meeting @ ACC (great food).
- 13. Potential for growth.
- 14. Longtime effort the better facilities would have on our club.
- 15. Better location for long-term growth of club, particularly to get younger members.
- 16. A move could possibly help with recruiting new members it would give a fresh look to the club.
- 17. Country club closer to me plus food is excellent!
- 18. Reluctance to respond to requests for improvements.
- 19. An opportunity to attract new members.
- 20. Because of the facility, I have trouble bringing guests.
- 21. Possibility that Briarstone is being sold, uncertainty of it future existence.
- 22. Soundproofing is terrible.
- 23. Better for recruitment of new members.
- 24. Overall ambiance. Distance from office. Other facility conducive to bringing in new members.
- 25. Briarstone has long been deteriorating with little incentive to improve the quality.
- 26. Time to meet new potential members! "Change is always good!"
