WEST TEXAS REHAB TELETHON

Abilene Country Club, Noon, Wednesday, January 11, 2011

Our own member, James Hallmark, will speak to our club this week.

For decades, he has been the voice of the West Texas Rehabilitation Center, and the producer of its annual telethon. This year's telethon is coming up Jan. 21st.

If you have ever heard James' voice, you'll never forget it.

West Texas Rehab is a big part of James' life, but there is much more.

When you think of early-day television in the Key City, James Hallmark was a part of it.

When you look around at Kiwanis events and meetings, James Hallmark is a part of it.

This should be a very interesting program that will give us a little behind the scenes glimpse at what it takes to put on the telethon.

See you there.

The program

Jamie Breed introduced Dr. Sandy Hazelip and Ellie Hamby as guest speakers today. My goodness, the program was terrific as Sandy and Ellie partnered to share their adventures as “2nd class travelers” seeking “stories of Trains”. The two shared wonderful pictures and fabulous stories of their adventures to Turkey, Syria, and Jordan. It was amazing to listen to them share details of their travels by bus, train and

yes, Camel! These were two brave women who found adventure after adventure. Ellie concluded by stating “We remember the fun, we remember the adventure, but most of all we remember the people we met.”
