Notice of Proposed Dues Increase

The Abilene Country Club has notified our club that the cost of the buffet for our meetings will increase from the present cost of \$8.95 to \$9.95 effective February 1, 2012.

The Board of Directors voted in its regular meeting on January 19 to propose an increase in our monthly dues from \$56 to \$60 to offset this cost increase.

Senior Membership and Associate Membership

dues will be increased from \$24.50 to \$25.50 per month to reflect the increase in the cost of the one meal which is included in the dues. (Any additional meals would cost \$11.00.)

Dues for those members on Leave of Absence would not increase.

The cost of meals for guests will remain at \$10.

In accordance with our bylaws, this matter will be voted on in our regular weekly meeting on February 8, 2012.

The program

Fifty Kiwanis Club of Abilene members and five guests participated in a tour/luncheon at the new Hendrick Medical Center Children’s Hospital. Talk about a WOW! The facility is fantastic!

Hosts, Melinda Blay, Meagan Clifton, and Dan Curl provided guided tours of the area. It was amazing to see the rooms and details of the facility.

Melinda, Meagan, and Dan expressed their appreciation for the support Kiwanians made to provide a playroom in this new facility for the community.

A video was presented whereby Mayor Norm Archibald and Tim Lancaster, President and CEO of Hendrick Medical Center, thanked us for our support. Mayor Archibald stated “This new facility has Kiwanis fingerprints all over it!” And “hat’s off to you!”

Meagan Clifton accepted “Kiwani Dolls” from Lora Lynn Christensen. The dolls, made by Kiwanis members, will be used by medical staff to help explain medical procedures to children.

Making the dolls is a new project of the Young Children Priority One committee.

It was exciting to hear Meagan explain the doll project. She was very aware of this project which is utilized around the world and excited that this would now be available at Hendrick.

SPIRITUAL AIMS MESSAGE

By Randy Williams

Sometimes Gaye Lynn and I will be driving down the road listening to music on the radio and, all of a sudden, we both begin to sing along with the music at the exact same time.

We always look at each other and share a “high 5.”

I’m not exactly sure why this happens so often but I suspect that we have influenced one another in many ways over the 31 years of our marriage to the point where we often function the same.

Now some might say this is sufficient cause to lift her up in prayer and I would probably agree with you. There is something significant about familiarity.

How familiar are we with our Father in heaven?

This takes spending time with God through prayer and reading His word. Not just prayer over your meals or asking Him to meet your needs but rather

asking His Holy Spirit to show you “the way.”

Tell God how honored you are to be His child and how deeply you love Him. Getting closer to God should be simple but there is an enemy who will do everything he can to separate you from the Father. Get close to God and, in time, you will hear His voice and see His hand on your life and, perhaps, you’ll start having some of those “high 5” moments with the Spirit of the Lord.

You want to “Change the World, One Child and One Community at a time”?

Psalm 119:105 declares, “Your word is a lamp to my feet and a light for my path.” Through study of the word of God, the Lord is able to speak to us individually. You do these things, and the world will want what they see you have.
