

Bobbie Wolfe: 2013 Boy Scout National Jamboree Abilene Country Club, Noon, Wednesday, October 23rd, 2013

Bobbie Wolfe will present our program this week on the 2013 Boy Scout National Jamboree he attended in July in West Virginia, the Jamboree's new permanent site. Tradition is that a National Jamboree is held every 4 years, and it has consistently been held since the first Jamboree in 1938 with the exception of one that was delayed during World War II. The West Virginia site will also be the site of the 2017 National Jamboree as well as the World Boy Scout Jamboree to be held in 2019. This site will also be the site of a year round camp for high adventure treks.

The 2013 National Jamboree was a 10 day event with approximately 30,000 boys in attendance from all over the USA plus about 1,000 from around the world who also attended the event. In addition to the scouts, there was also 6,000 adult staff in attendance. To quote Bobbie, it was "a real amazing event!"

Tremain Jackson presented a program about the Abilene Public Library.

Jerry Carter introduced the program.

Roy Dent led the opening prayer.

Will Smith welcomed our guests.

Program

Jerry Carter introduced Tremain Jackson, who serves as manager of the South Branch location of the Abilene Public Library as the speaker for the October 16th meeting. Tremain presented a very informative program outlining the many services available thru the library. Highlights were on Information Services, Events & Workshops, Computers & Technology, Book-A-Librarian, and Databases & Resources. It was interesting to learn that checkouts from the library have not decreased with the addition of technology. Instead technology is used as supplements. A recent addition is a "Wowbrary" Newsletter focusing on the latest library releases that is delivered by email to library members. If you haven't been to the library in a while, make time to visit. You will likely be amazed!

President Hoover thanked Tremain for coming and communicated we would make a donation to

Price Brock's wife, Nancy, and daughter, Rachel, were guests.

our foundation in his honor to help fund scholarships for students.

President Mark Hoover closed the meeting with the following thought: It's amazing how many cares will disappear when you decide not to be something, but to be someone. Be a Kiwanian in that regard and let's Live Inspired!

SPIRITUAL AIMS THOUGHT TO PONDER

By Mark Hoover

Weekly Verse

“Now is your time of grief, but I will see you again and you will rejoice, and no one will take away your joy.” -John 16:22

Weekly Quote

“God made you. He knows how you operate best. And He knows what makes you happy. The happiness He gives doesn’t stop when the party’s over. It lasts because it comes from deep within.” -John MacArthur

Weekly Thought

Even with the most expensive and sophisticated security system in the world, you can never make your home fail-safe from burglars. Even if you guard your personal data with the greatest of diligence, one of the fastest-growing crimes in the world today is identity theft. But there is something you have

that can’t be stolen from you. You don’t even have to hide it but can keep it right out in the open. It’s your joy in Christ.

Oh, there are some who will try to rob it from you through using hurtful words or slighting you in some other way. But they do not have the power to seize it. You can decide to let them take it—but that’s your choice, not their cunning.

There are some people who are so committed to killing joy wherever it is found that we might be wiser just to steer clear of them. But even in circumstances where there is no escape from the thief who wants to rob joy so that gloom can take root, you can still keep your joy by simply putting your eyes on the Author and Giver of joy, Jesus Christ.

Dear God, Your gift of joy makes life wonderful. Help me experience it and share it, no matter who would try to bring depression and gloom to my life and world. Amen.
