

## Dr. Trista Bailey: Drug Safety

Abilene Country Club, Noon, Wednesday, November 13th, 2013

Our speaker today is Dr. Trista Bailey who is an Assistant Professor for the Department of Pharmacy Practice with emphasis in the Geriatrics Division at the Texas Tech University Health Science Center. She also works as a consultant pharmacist for two nursing homes and an assisted living facility in the Abilene area where she has responsibility for around 200 patients.

Dr. Bailey was born and raised in Lubbock and received her BA with Honors in Biology from Texas Tech University, and received her Doctorate of Pharmacy at the University of Texas at Austin College of Pharmacy. She considers the best part about being an assistant professor at Texas Tech is mentoring the students and using clinical examples to teach the importance of different pharmacy subjects.

In her free time she enjoys running, shopping, and watching TV and movies. She also loves spending time with her friends and family, in particularly her wonderful husband, Brandon, and her sweet puppy, Britta.

Consider inviting a guest and a prospect for membership to enjoy this interesting topic from an expert in the field.

Carol Cain presented the program.

Randy Williams is our song leader for November.

Don Scargall introduced the guests.

Art Garner was a guest of Keith Garner.

**Program**

Jamie Breed introduced Carol Cain, Administrator for the National WASP World War II Museum as the speaker on November 6th. Carol talked about the WASP accomplishments and as veterans what they did to continue serving their country. There were 1,074 women who graduated at Avenger Field in Sweetwater then they were deployed to over 120 active duty bases all across the United States. They faithfully served their country from March 1943 to December 1944 when the base was closed and the records sealed. The women loved to fly and they loved their country.

Carol provided a wonderful booklet that contained brief biographies of a few of the WASP members. These women were used as instructors and test pilots. They did everything our servicemen did except fly in combat and they never flew out of U.S. borders. These groups of women were finally recog-

nized as Veterans in 1977. Carol spoke of the happy and sad lives of many of the women and she communicated so many interesting details about them. A reunion is held annually on the Saturday before Memorial Day. Currently 178 of the members are alive and in 2013, 17 of that group came for the reunion. The museum is open Wednesday thru Saturday 10 to 5 and on Sunday from 1 to 5. But if those times are not convenient, call 325-235-0099. Someone will gladly open the doors for you. Carol provided an excellent program and closed by comparing the WASPs to space astronauts. She encouraged folks to reach their goals stating "If you want it and work at it, you can reach your goals!" Thank you Carol for bringing this wonderful program!

President Mark Hoover thanked Carol for coming and closed the meeting with the following quote from William Arthur Ward:

Each of us will one day be judged by our standard of life not by our standard of living

By our measure of giving not by our measure of wealth

And by our simple goodness not by our seeming greatness

Kiwanians go out, take your simple goodness and make a difference in Abilene and for its children.

# SPIRITUAL AIMS THOUGHT TO PONDER

*By Mark Hoover*

## Weekly Verse

*"You do not have, because you do not ask God."*  
—1 James 4:2

## Weekly Quote

*"Prayer is the way and means God has appointed for the communication of the blessings of His goodness to His people."*—Arthur W. Pink

## Weekly Thought

God blesses us every day with things we don't necessarily ask for, things we might take for granted: a place to live, fresh air, the beauty of nature, friends and family. But for some blessings, He chooses to

make us part of the process by encouraging us to ask for what we need and want. And the truth is that we experience life and blessings more fully when we look to God for all our wants and needs, either through expressing gratitude or petitioning Him for our needs.

If you're hurting for something today, ask God for it. And if you're not, thank Him for what you have. You'll find your life more richly blessed—even if only from an improved attitude. Your whole being will be permeated with an awareness of God's presence and goodness.

Lord, thank You for blessing me. Help me open my heart and needs to You today. Amen.
