Thank You from Steven Lebel

My name is Stephen Lebel and I have received a large amount of donations to my family for my kids and myself. This has really meant a lot to me and has made my situation much better that people care out there still to help others in times of hardship. Which

in my situation the passing of my wife (Crisandra Lebel) on November 19th 2013. I can't thank you enough and may you all have a Merry Christmas and a happy New Year.

Club Satellite members coordinated efforts to help provide Christmas for the Lebel family. Overall efforts resulted in about \$250.00 for the family.
