

JARED MOSLEY: Director of Athletics at ACU Abilene Country Club, Noon, Wednesday, August 13th

Jared Mosley is entering his 10th year as the director of athletics after serving two years as the associate director of athletics for operations. Mosley is the seventh director of athletics in ACU's history. He is responsible for the athletics budget, fundraising, facilities oversight, student-athlete development, athletics events, marketing and special projects.

Mosley was named the seventh director of athletics in ACU history in June 2004, and under his leadership (through 2012-13), the Wildcats won 10 NCAA Division II national championships, 20 NCAA Division II regional championships and 46 Lone Star Conference championships.

His greatest achievement to date has been to guide the ACU athletics department through the transition from NCAA Division II and the Lone Star Conference to NCAA Division I affiliation and membership in the Southland Conference.

As part of the move to NCAA Division I status, Mosley negotiated a three-year deal with Adidas for the sports apparel company to be the official outfitter of ACU athletics.

In May 2008, Mosley won the All-American Football Foundation's General Robert Neyland Award as the Athletics Director of the Year for the NCAA Southwest Region. Mosley also serves on the NCAA Division II Men's National Tennis Committee and is on the National Association for Collegiate Directors of Athletics Executive Committee.

Under Mosley's leadership, ACU has continued to build on its athletics tradition and continues to be one of the most successful programs in all of NCAA Division II. The Wildcats have finished in the top four of the Learfield Sports Directors' Cup in five of Mosley's seven seasons as the director of athletics, and ninth the other two seasons.

Under Mosley's direction the Wildcats began a women's soccer program in 2007-08, and that team had a successful inaugural season, finishing 8-11-1 overall, just missing the LSC Post-Season Tournament. That team won its first conference title in 2010 and advanced to the regional championship match.

Mosley is one of the most highly decorated basketball players in ACU history. He finished his career in 1999 as the 11th-leading scorer and eighth-leading rebounder in school history, and in his senior season (1998-99) he led the Wildcats to the NCAA Division II South Central Region championship game.

He and his wife, Trish, have two sons (Jaden and Jaxon) and one daughter (Blair).

Clinton Nix introduced Bruce Kreitler as the speaker on August 6th. Bruce shared lots of information about caring for trees using a relaxed question and answer format. He shared some of the stressors occurring for trees, such as the hail storm on June 12th. In addition, Bruce discussed numerous types of trees including crepe myrtles, live oaks, pine and pecan trees and some of the important things to watch for. Clinton shared that Bruce could be heard on radio station KWKC each Saturday from 12:00 to 1:00. Bruce owns Broken Willow Tree Service.

President Hoover thanked Bruce for the informative program and communicated we would make a donation in his honor to the Kiwanis Club of Abilene Foundation which helps fund scholarships for students.

Weekly Thought

Confidence is...

Diving off the high dive.

Introducing yourself to someone new in a social gathering.

Attending a workshop or seminar not because it's required at work, but "just because."

Visiting patients in a hospital—or prisoners in a jail—even though you've never met them before.

Looking at someone who has told you about a difficulty he or she is experiencing and asking them, "Can I pray for you right now?"

Confidence means taking bold steps. And each of us can do just that, even if we don't consider ourselves to be very confident. Why? Because God is with us wherever we go.

Lord, help us to do the best job we can for You.
Amen
